Mr. Lorne Beug

Dear Mr. Beug,

RE: Delegation Submission of September 20, 2022

Thank you for the submission you provided to the RPL Board of Directors for their meeting on September 27, 2022.

We appreciate the concerns you demonstrate about the heritage value of the current building.

Unfortunately, the many issues with the building can't be remedied without stripping the building down to the concrete. Regardless of what we could do to restore the building, the exterior façade would be impacted due to the nature of the work that needs to be done.

The Board has carefully weighed our options and has determined the best approach is to build new. I assure you that we will honour the current building and the Carnegie Building in a new build.

Mr. Beug, I hope this answers the questions you raised in your submission. If you have more questions, let me know.

Sincerely,
