Cannes Lion roars back into RPL Film Theatre this November!

RPL Film Theatre is pleased to welcome back the Cannes Lions Awards for Best Commercials for two screenings on November 24 and 25 at 7:00pm.

Presented annually since 1954, the Cannes Lions are the most prestigious international creative communications awards in the advertising and communication industry. They showcase some of the world's most entertaining, inspirational and humorous commercials from around the world, including a selection of bronze, silver, gold and grand prix winners from the past year.

"We're delighted to bring this crowd favorite back to the big screen," says Tomas Jonsson, Curator of Performance and Moving Image at Regina Public Library. "The Lions are a longstanding RPL tradition. It's such a joy to offer this exceptional program to our community."

Tickets for Cannes Lion screenings can be purchased online or in person, and include a complimentary bag of hot buttered popcorn.
